mptroller of Currency Makes \$40,-900 Available for Work-Eddy May Be Executive Officer.

The public utilities commission was creatized in the board room of the Municipal Bullding yesterday morning, Municipal Bullding yesterday morning, the new Enwith Col. Chester Harding, the new Enwister Commissioner, as chairman, and with the force of employes now available. The member. Corporation Counsel E. H. Thornas, legal adviser to the commission, took the oath of office with the Commissioners. The cath was administered by John R. Young, clerk of the District Spreeme Court.

Mr. Thomas began his duties of legal not permit such a salary.

adviser to the commission by submit-ting an opinion upon eligibility to man-berehip in the commission, which will bar Commissioner John A. Johnston. Part of the oath of office is that the of-ficial is not "pecunarily interested, vol-untarily or involuntarily, in any public utility in the District of Columbia or elsewhere." Commissioner Johnston was unable to subscribe to this part of the oath.

Commission Hos Fonds.

An opinion from the Comproller of the Currency places 48,000 at the immediate service of the commission. The Comproller olds that, notwithstanding the appropriations in the District bill are for the expenses for the District government beginning July 1, it was the intended of Congress that the appropriation for carrying into effect the public utilities measure, which was added to the District bill, be immediately available. Selection of an executive officer and secretary will be one of the first duties of the commission. It is probable that if C. Eddy will be chosen for the that will not be a commission. The first member of President Wilson's cabinet to be named as defendant in a suit filed in the District Supreme Court is William G. McAdoo, Secretary of the Tressury. The American Security Company, of New York, yesterday filed suit pany, of New York, yesterday filed suit ignishs the Knox Electric Company and Secretary McAdoe to prevent the payment of \$4,545.06 due the defunct concern for installing a conduit and wiring system and lighting fixtures in the post-office building at Pittsburg, Pa.

The Knox Electric Company received the contract last August, and the American Recurity Company became its surety in the sum of \$8,500 for the faithful performance of the contract.

A receiver was appointed for the Knox coougany February 12 last, following bankruptey proceedings, and it is charged that \$8,234.5 is owed for materials furnished for the installation of the lighting system and that the receiver does not intend to apply the \$1,56.06 on that debt.
